SELECTION OF VENDORS: The

Big Horn County Fair Board strives to maintain a variety of products that best accommodates the needs of attendees.

We will make an effort to minimize duplication of competing products. The number of vendors we can accommodate is limited due to availability of electrical

demand. Return vendors will have first priority. Our event is family friendly, and the board reserves the right to disallow any product or vendor. **The vendor application with payment is due to the fair office upon submission.** Approved vendors will be notified directly following the next fair board meeting.

VENDOR'S ASSIGNED LOCATION, APPEARANCE, AND CLEANLINESS: Upon arrival, vendors need to report to the fair office for their assigned location. All trailers, stands, and/or structures must be in good repair, structurally sound, and neat in appearance. We encourage vendors to have legible signs reflecting the price of each menu item. Vendors are responsible for keeping their booth space clean, orderly, and free of trash and clutter. Self-serve areas must be kept clean and well serviced. When the fair is over, it is expected the vacated booth space will be left clean and free of waste.

MIDWAY and MULTIPURPOSE BUILDING FOOD VENDORS:

- **FOOD VENDORS** in the midway area must be in place one hour before the first show begins and stay in place until 1 hour after the last show ends. The suggested hours of operation are from 7:00 am to 9:00 pm, Wednesday through Saturday. However, vendors can open prior to Wednesday and operate outside of these hours. In order for a vendor to leave early/show up late there needs to be written approval by the fair management. Any vendor leaving early without prior approval may not be allowed to return in future years.

GRANDSTAND FOOD VENDORS:

- **FOOD VENDORS** in the grandstand area must be in place by 4:00 pm on Thursday, July 30th, 2026 and must remain in place until all spectators have left the area on Sunday, August 2nd, 2026. The suggested hours of operation are from 6:00 pm until the beer garden is closed on Thursday and Saturday at 1:00 am and until the conclusion of the Tough Truck Competition on Sunday. However, vendors can open prior to Thursday and operate outside of these hours. Any vendor leaving early without prior approval may not be allowed to return in future years.

ICE VENDOR: The Big Horn County Fair will provide the ice via a contracted vendor. No other ice vendor is allowed to distribute ice on the fairgrounds.

REQUIRED DOCUMENTS:

- Insurance: It is mandatory that all vendors participating at the Big Horn County Fair obtain (at the vendor's expense) and provide the fair with a liability insurance certificate from a company licensed to do business in Wyoming with the terms of coverage to include \$500,000.00 liability coverage and \$100,000.00 property damage coverage. Proof of such coverage needs to be provided with your application.
- Current health license: All food vendors must meet the requirements set forth by the Wyoming Department of Agriculture, Consumer Health Services, Food Safety and are expected to present a current license to the Big Horn County Fair Office prior to placing their booth.
