SELECTION OF VENDORS: The Big Horn County Fair Board strives to maintain a variety of products that best accommodates the needs of attendees. We will make an effort to minimize duplication of competing products. The number of vendors we can accommodate is limited due to availability of electrical demand. Return vendors will have first priority. Our event is family friendly, and the board reserves the right to disallow any product or vendor. The vendor application with payment is due to the fair office by July 1, 2021. Approved vendors will be notified by July 7th, 2021.

VENDOR'S ASSIGNED LOCATION, APPEARANCE, AND CLEANLINESS: Upon arrival, vendors need to report to the fair office for their assigned location. All trailers, stands, and/or structures must be in good repair, structurally sound, and neat in appearance. We encourage vendors to have legible signs reflecting the price of each menu item. Vendors are responsible for keeping their booth space clean, orderly, and free of trash and clutter. Self serve areas must be kept clean and well serviced. When the fair is over, it is expected the vacated booth space will be left clean and free of waste.
